

# Win **MORE** Business with Advanced Lead Retrieval Tools

You've made the investment to exhibit, now get the **highest ROI** possible by capturing prospect information in just a few seconds. Expo Logic's lead retrieval tools make it easy to scan badges, qualify leads, and even follow-up with leads!

## LeadPod Pro

The LeadPod™ Pro app turns any iPhone, iPad or Android device into your own advanced lead retrieval tool. With the LeadPod Pro app you can scan an attendee's badge using the camera on your device, capture their contact information instantly, take notes on each lead, and survey your lead with customizable surveys.

You can also save a lead as a contact on your phone, place a call to your lead or send them an email or text message – all directly from the app! This functionality makes lead follow-up a breeze and ensures you get the most out of the leads you capture.

## Lead Manager

Lead Manager is a user-friendly, handheld device with a large touchscreen display. Lead Manager allows you to scan badges, collect leads quickly and view the lead information right on the device. The large screen makes reading the leads easy and gives you the option to enter notes right on the device.
