A3 NEXTGEN

A3 NextGen Student Tours is built to give you a firsthand look at the future of robotics, artificial intelligence, and the exciting possibilities a career in automation can offer.

Follow the designated tour stops to connect with leading companies in automation and explore their latest breakthroughs, products, and cutting-edge technologies.

Want to test your knowledge and win fun prizes?

Scan the QR code to take the official NextGen Student Tour Quiz, created to complement your tour experience.

Along the way, ask employees at designated tour stops questions to uncover quiz answers and show that you have what it takes to thrive in the world of automation.

Collect your prize at the A3 Education booth (#35058) after your tour has concluded.
